

Exmouth Inner Wheel 2023/24

We are part of Inner Wheel District 17 and we meet at the Imperial Hotel, Exmouth EX8 2SW at 12:00noon on the second Thursday of every month.

We are small in number but during 2023 we have continued to regularly support several local charities - Young Carers, Centre Stage, Exmouth in Bloom, Open Door, Talking Newspapers as well as the local Hospice and Air Ambulance

Exmouth Inner Wheel started the new year off with a fund raising event for various charities. We had a stall selling jigsaw puzzles/books and tombola bags at the Transplant Awareness Fete. We will be attending the Exmouth Rotary Classic Car Rally in July with a similar stall. As usual we had a stall at the annual May Budleigh Gala Fete, this time selling mainly plants and the money raised is divided between local and international charities.

We enjoyed a splendid Christmas lunch at a local restaurant. For the 100 for 100 I.W. centenary celebrations, we had a coffee morning and each member donated food items to add up to just over 100, for the local food bank.

Our International Chairman Sue Turner has organised monthly working parties at member's homes to knit and sew together blankets for Moldova. We have also started to knit scarves for the coming winter. A Fish & Chip Supper with a quiz was held last November which was very well attended and raised over £450 for Smile Train.

Although we are a very small group, only nine members in total, we have been very active, and will be continuing next year under the leadership of Iris Buteux. Before that however, we are ending the year with a B.B.Q at my home, and will toast our achievements over the past year. Gerry Creed (President 2023/24 June 2024)
