

Dear Inner Wheel Friends

As the clock strikes midnight, ushering in a brand-new year, my heart swells with gratitude and love for each of you. In this moment, I am reminded of the incredible power of our Inner Wheel community.

We are more than just a global organization - we are a family bound together by our shared passion for service, friendship, and personal growth. We are the guardians of hope, the champions of kindness, and the beacons of light in a world that often needs it.

As we step into this new year, I urge you to hold dear the values that make us who we are: compassion, empathy, and the unwavering commitment to making a difference in the lives of those we serve.

May this year bring us even closer together, strengthening our bonds of friendship and service. May our collective efforts continue to inspire hope, peace, and harmony in the world.

Thank you for being the Heartbeat of Humanity that drives our service. Thank you for being the sunshine that brightens every day. Thank you for being the Inner Wheel family that I am so proud to be a part of.

Warmest wishes for a wonderful New Year 2025!
